

MAHARAJA AGRASEN INSTITUTE OF TECHNOLOGY

MAIT/Event/2025

January 7, 2024

NOTICE

As part of our commitment to nurture innovation and entrepreneurship within the MAIT community, we are organizing a Networking Event for MAIT-originated Startups during the upcoming Alumni Meet on February 8, 2025.

This event will provide a unique opportunity to showcase the achievements of MAIT-founded startups, document their journey, and create a platform for collaboration.

To ensure the success of this initiative, we are forming a MAIT Startups WhatsApp Group to connect startup founders and their representatives.

All Heads of Departments (HODs) are requested to kindly share the contact details (name, phone number, and email address) of MAIT alumni who have founded startups or their nominated representatives. This information will help us reach out to them and include them in this important initiative.

Kindly submit the details to Prof. (Dr.) Sachin Gupta at deanresearch@mait.ac.in by January 15, 2025.
